

Murdoch University Delivers Valuable Feedback to Students with Prescene

CHALLENGE

Third-year screenwriting students lacked feedback on their screenplays. Only the 3-5 scripts selected for production would receive comprehensive notes, leaving the majority of students without the feedback essential for understanding how their work measures against professional development standards.

SOLUTION

Prescene ensures every student receives professional analysis and notes to improve their writing and prepare for production.

RESULTS

85%

Reduction in Feedback
Preparation Time

100%

Students Receive
Professional Notes

"Prescene perfectly complements my knowledge base and industry experience against the evident time constraints of my workload and student need for instant feedback and constructive criticism."

Dr. Glen Stasiuk
Program Chair, Screen Production
